

Motion 1

1. That the Commission approves assigning the role of coordinator of the Health Data Research Advisory Council to the University of Iowa College of Public Health under the direction of Dr. James Merchant.
2. That the Health Data Research Advisory Council deliver to the Commission at the October meeting the results of a comprehensive literature review on health care and relevant subject matter in Iowa and the nation.
3. That the Health Data Research Advisory Council conduct extensive interviews with major health care stakeholders on the condition of health care in Iowa and the nation and suggested solutions and report to the commission the accumulated narrative of the results at the October meeting.
4. That the Health Data Research Advisory Council assist in preparing an extensive survey of Iowans on health care issues.

Motion 2

Approve giving the co-chairs of the Commission the authority to consult with legislative leaders in hiring a consultant to conduct a survey of Iowans to determine, at a minimum, the following:

1. Who are the uninsured.
2. Who are the underinsured.
3. Level of satisfaction with insurance coverage.
4. Demographics of Iowan's health care.

MOTION 3

Authorize the co-chairs to negotiate with the appropriate consultants to facilitate future commission meetings.

Motion 4

That the legislative council be requested to appoint a representative of the Iowa Dental Association to the Commission as an ex officio member.
